

MOLECULAR LIBRARIES SCREENING CENTERS NETWORK: TECHNICAL  
ASSISTANCE WORKSHOP FOR RFA RM-04-017

RELEASE DATE: May 3, 2004

NOTICE: NOT-RM-04-011

National Institutes of Health (NIH)  
(<http://www.nih.gov/>)

This notice is for a roadmap initiative. All NIH Institutes and Centers participate in roadmap initiatives.

The purpose of this notice is to announce a technical assistance workshop for  
[RFA RM-04-017, Molecular Libraries Screening Centers Network \(MLSCN\)](#).

Date: June 2, 2004, 9 AM to 1 PM, in the Natcher Building, Balcony B, 45 Center Drive,  
Bethesda, MD 20892

Host: MLSCN Project Team Leader/Molecular Libraries and Imaging Roadmap  
Implementation Group (<http://nihroadmap.nih.gov/molecularlibraries/members.asp>)

Description: NIH staff will conduct a technical assistance and information-sharing  
workshop on June 2, 2004, 9 AM to 1 PM, in the Natcher Building, Balcony B, 45 Center  
Drive, Bethesda, MD 20892. The workshop will allow potential applicants to discuss and  
clarify any issues or questions related to [RFA RM-04-017](#).

The NIH is also seeking public comments regarding the potential use of a deviation to the  
standard patent rights clause to limit the rights of MLSCN center investigators to retain  
title to certain subject inventions involving the use of proprietary compounds in order to  
access and assemble the largest collection of compounds possible for this project. The  
proposed deviated clause would provide title or exclusive rights to the provider of the  
proprietary compounds (for further information, refer to  
<http://grants.nih.gov/grants/guide/rfa-files/RFA-RM-04-017.html>).

To accommodate individuals who cannot attend the meeting, the meeting will be webcast  
and made available for viewing live on the NIH website (<http://videocast.nih.gov/>) and  
will be archived on the NIH Roadmap website (<http://nihroadmap.nih.gov/>). If you plan  
to attend the workshop, please respond by e-mail to [lbrady@mail.nih.gov](mailto:lbrady@mail.nih.gov). Potential  
applicants are encouraged to submit their questions to the email address listed above in  
advance of the meeting.

Viewers can submit comments for discussion at the meeting via the Live Feedback  
Form at: <http://videocast.nih.gov/livefeedback.asp?3258>.
